Pursuant to Fed. Cir. R. 26(b) and 27(h), Appellant, Intelligent Verification Systems, LLC (“IVS”) requests that the time for filing Appellant’s Reply Brief in the above-captioned appeal, now due September 14, 2015, be extended 4 days up to and including September 18, 2015. Appellant has discussed this motion with counsel for Appellees Microsoft Corporation and Majesco Entertainment Co., as required by Fed. Cir. R. 26(b)(2), and Appellees do not oppose this motion for extension of time. There is good cause for the required extension of time. Counsel for Appellant requires this 4-day extension to file Appellant’s Reply Brief due to other heavy case workloads, including other appeals before this Court, U.S. Patent and Trademark Office prosecution and other litigation matters with preexisting deadlines, as well as the Labor Day holiday. Appellant believes the extension is necessary and that an extension does not prejudice the parties.

This is Appellant’s first request for an enlargement of time in this case, so the total number of days of extension previously granted to the movant is zero. Appellant does not expect to make any further request.

Dated: September 1, 2015

Respectfully submitted,

/s/Michael K. Mutter
